REQUEST FOR TENDER

**Property Audit For 911 Emergency
Database**

Local Services Board is requesting tenders for the following contract which needs to be completed prior to September 15, 2011:

Metering of Water Access Properties.

Contractor must be able to confidently use a Global Positioning System (GPS) to give accurate Longitudinal and Latitudinal coordinates for each water access property along the water ways listed below.

GPS navigational system used is WGS84 and readings must be presented in the following format (Long 45.55.600 x Lat 85.55.045) for each water access point (landing points would be the property owners dock or common property access point).

Contractor must have own business insurance with \$2,000,000.00 liability coverage and a valid boat operators license for passengers in the water vessel and a MEDA3 licensing used by contractor to

operate a water vessel. Where having employees, contractor must provide a copy of their WSIB coverage.

The Local Services Board will provide detailed mapping of water access properties which need to be numbered and verified as well as a copy of current 911 civic addressing upon awarding of RFP.

Contractor will be required to report to LSB using an EXCEL formatted database.

At present it is estimated that between 600-900 properties need to be logged and GPS'ed for our water access properties.

Deadline for completion is September 15, 2011 and it has been estimated to take approx. 14 - 21 days to perform addressing.

Water Access properties are located on the following waterways;
Upper Pickerel River from Little River Lodge to Legrou Lake
Lower Pickerel River from Duck Lake to Dollars Lake and Smith's Bay
Upper Wolf River including Jacks Lake
Middle Wolf River from East Road to Pine Lake Dam
Lower Wolf River from Pine Lake dam to Pickerel River
Caribou Lake
Lake Memesagamesing
Clear Lake - Arnstein

Applicants shall present their proposal to the LSB no later than August 4, 2011 by mail to the address above, or by e-mail to secretary@loringlsb.com. Successful applicant will be awarded as soon as possible.
